- Full-time
- Part-time

South Ural State University (SUSU) is a leading Russian higher education centre. The university is located in Chelyabinsk, Russia's seventh largest city. It provides training to more than 27,000 students on programmes of

different levels (secondary professional education, bachelor's/master's and PhD degree), including 2,000 international students from the Middle East, Africa, Asia and Latin and North America.

The 1,150-strong faculty has 349 professors and 1,175 PhDs. Eleven SUSU Institutes and Higher Schools offer the most sought-after engineering, natural science and humanities majors. South Ural State University has turned out more than 250,000 skilled specialists since its establishment 75 years ago.

SUSU currently offers seven English-taught undergraduate and 12 graduate programmes. The university operates 27 laboratories and research centres. Thanks to access to unique technologies, students can successfully pursue research in various fields. SUSU is a dynamic university which keeps attracting highly skilled specialists, building up its research potential and improving the quality of education.

International partnership

SUSU is actively involved in international cooperation in science, culture, and education. In 2015, the university signed over a hundred documents on cooperation with several countries: Kazakhstan, Bulgaria, Germany, USA, China, Finland, Czech Republic. SUSU interacts with the branches of the Federal Agency for the Commonwealth of Independent States, Compatriots Living Abroad and International Humanitarian Cooperation (Rossotrudnichestvo) worldwide.

The university is an active member of the Association of Technical Universities of Russia and China (ATURK) and takes part in the work of the Shanghai Cooperation Organization as well as other scientific and educational institutions.

SUSU runs summer schools, partnership double degree programs with universities of China as well as joint Master Programs with the University of Clark (USA) and Lappeenranta University of Technology (Finland). All the programs are available both to SUSU students and to foreign nationals.
